“This gracious and elegant flower symbolises purity, creation and rebirth. Rooting in mud, the lotus is able to rise up above the dirty water and yield a flower of such perfect beauty and purity.”

ORIA is a company founded on the belief that we can produce beautiful jewellery without exploiting people or the planet.

We have chosen the lotus flower for our design as for us it represent a new clean beginning rising out of the dirt, just as ethical gold rising from the past of ‘dirty’ gold.
